The Phi Kappa Phi Chapter Needs Your Service!

We need faculty and staff who are members of Phi Kappa Phi to volunteer to serve as officers, as college liaisons, and as nominators for our awards. It doesn’t matter if you haven’t paid dues for a while—you can always start again. Anyone who is interested in serving in Phi Kappa Phi, please contact Deborah Himes (Deborah-Himes@byu.edu) or Charlotte Stanford (charlotte_stanford@byu.edu).

March 14, 2019

Initiations

In total, 201 candidates were initiated at the Spring Banquet: 5 faculty members, 11 graduate students, 82 senior students, and 103 junior students.
Keynote Address:

Matthew B. Durrant
Chief Justice of the Utah Supreme Court

Chief Justice Matthew B. Durrant of the Utah Supreme Court delivered the keynote address at the 2018 annual banquet. Justice Durrant encouraged audience members to be careful in the judgments they make each day, both regarding their individual choices as well as considering the actions and motivations of others. Drawing upon experiences from his illustrious legal career, Justice Durrant provided four key pieces of advice when interacting with others:

1. Presume innocence
2. Judge righteously
3. Judge generously
4. Be merciful

In addition to Justice Durrant’s keynote address, the banquet also featured remarks from BYU Phi Kappa Phi President Stephen M. Bay, President-Elect Deborah Himes, and Student Vice Presidents Colby Nielsen and Hänel Watkins. The Jazz Legacy Band provided upbeat music, with lively renditions of classic jazz numbers such as “Bourbon Street Parade,” “St. Louis Blues,” and “When the Saints Go Marching In.”

Phi Kappa Phi Honored Member Award

Chief Justice Matthew B. Durrant received the Phi Kappa Phi Honored Member Award. Justice Durrant was appointed to the Utah Supreme Court in January 2000 by Governor Michael O. Leavitt. At the time, he was serving as a trial judge in the Third Judicial District. Justice Durrant has served as the Supreme Court representative on the Utah Judicial Council and as Associate Chief Justice. He was the founding chair of the Supreme Court’s Professionalism Committee and has chaired the Judicial Council’s Technology Committee. In
In her lecture, Dr. Carter transported the listeners to eighteenth century village life in rural France and explained how court cases against parish priests provides a unique view into multiple aspects of village life during the 18th century. They speak to the religious practices and cultural beliefs of everyday people. They also provide unique perspectives of the parish priests. For the most part, these church court records contain statements from average, ordinary people, who likely did not leave any other written historical record. Dr. Carter explained that these personal, yet sometimes bizarre accounts from the church court records help historians make connections between the past and our current day.

Karen E. Carter is the author of many books and articles on the history of religion in early modern France. She has guided thousands of students through courses on topics such as world civilizations, European society, and the Reformation. Karen has served with distinction, good humor, and attention to detail as associate department chair and on many college and university committees.
